# American Series Roller Shade Order and Measuring Instructions

(Excluding Windshield Shades)

## 1. Customer Information

Complete the customer information section.

## 2. Material Color

Enter your day and night material choice.

**View the material color options at [MCDInnovations.com](http://MCDInnovations.com).**

## 3. Product

Select MCD American **Duo™** Day/Night or **Solo™** (Day or Night) shade.

## 4. Operating Mode

Select Manual, Remote Electric, or Combo (Manual Day Shade and Remote Electric Night Shade).

## 5. Motor Location (If Applicable)

Indicate if you would like the motor to be installed on the Left or Right side of shade assembly.

## 6. Window Location

Identify where each shade will be installed; e.g., dining, kitchen, driver etc.

## 7. Price

Use the **PRICE GUIDE** to determine the shade pricing.

Note that Remote Electric Shades require one motor for **EACH** shade roller.

(See price guide for additional charges.)

## 8. Width

Measure the **INSIDE** width of the valance as close to the top as possible.

**Deduct** a minimum of **.5"** total to provide clearance space for installation.

(For a shade that is **NOT** mounted in a valance, provide the exact width of shade assembly you desire.)

## 9. Drop Length

Measure from the **INSIDE** top of the valance, or mounting position, to the bottom of the window frame.

## 10. Upper Set Limit

Measure from the **INSIDE** top of the valance, or mounting position, to the **upper point**, where you want the bottom of the shade to stop when it is raised. This upper set limit will be pre-set.

**\*Minimum for a Duo Shade is 5" and a Solo Shade is 3.5"\***

## 11. Roll Spec

Refer to the Roll Spec diagrams located on the order form to determine the shade roll directions.

### Note:

- You will need at least 2 inches of space for the shade to roll freely inside a valance.
- All MCD shades are custom-made and are non-returnable.**

### To Place your order:

Fax to MCD at 972.542.4881 or

E-mail form to [customerservice@mcdinnovations.com](mailto:customerservice@mcdinnovations.com)

**\*A MCD representative will contact you to finalize the details of your order, verify your billing/shipping address and obtain payment information.**

**Note: Final product Tolerance for shade width is +/- .25" per shade**
